

## **Networks for Training and Development, Inc. Announces New Executive Director**

This has been a year to remember in Networks' history. With our esteemed Co-Founder and Executive Director Michael McAllister's sudden passing in October, we were forced to pull together, focus on our mission and vision of the organization, and continue the work. We work not only in honor of Mike's legacy, but also in honor of those who rely on us to provide outstanding training and consultation to improve the lives of people with disabilities.

In these last 9 months, the Networks' team has proven that we are a true team, dedicated to providing innovative and high quality services in an effort to create more inclusive communities.

As the new Executive Director, I look forward to partnering with each of you, as we continue this legacy. A bright future lies ahead!

Sincerely,
